

FOR IMMEDIATE RELEASE May 20, 2010

“Two Wheel Thunder” with Michele Smith & Jay Barbieri premieres on Discovery’s HD Theater, June 7th 2010

Featured this season will be several segments with Strip Club Choppers

Michele Smith and Jay Barbieri will be hosting a brand new motorcycle magazine show called “Two Wheel Thunder” on the Discovery network’s HD Theater. Smith and Barbieri previously hosted American Thunder on the Speed Channel but after fourteen years, and despite high ratings, *SPEED* decided not to bring the show back.

Michele has been riding motorcycles since 1994 and is considered the “First Lady of Motorcycling” by millions of enthusiasts.

Barbieri is not only hosting the show this season but is also the Executive Producer. Barbieri has been riding a Harley for over 25 years, has hundreds of thousand miles under his belt and has attended countless motorcycle rallies across North America. His book the “Bikers Handbook, Becoming Part of the Motorcycle culture” is in its third printing.

This season *Strip Club Choppers* will be featured on the show in several segments. The iconic clothing and motorcycle part company was made famous by their one-of-a-kind strip pole chopper and bagger. Johnny Lange, owner of SCC hangs with Michele and Jay offering his unique perspective about rallies such as, Mazatlan Bike week in Mexico, The Virginia Beach Classic, Thunder Beach in Panama City, and of course Daytona Beach Bike Week.

Barbieri commented: “Johnny and I have been friends for years. When we travel from rally to rally together there is never a dull moment. Thank God for editing, and I say that with a smile.”

HD Theater is a high-definition television network from Discovery Communications, Inc., the owner of the Discovery Channel. It launched nation-wide in 2002 as **Discovery HD Theater** and is now the most widely distributed basic cable HD network in the United States.
